

# TIMES ENGINEERING INSTITUTE RANKING SURVEY 2017

THE OBJECTIVE OF THIS RESEARCH WAS TO IDENTIFY AND RANK TOP ENGINEERING INSTITUTES IN AP AND TELANGANA. THE STUDY HAD THREE MAJOR MODULES I.E., DESK RESEARCH, FACTUAL SURVEY & PERCEPTUAL RATING SURVEY.

## TOP 10 PRIVATE ENGINEERING INSTITUTES RANKINGS 2017 - ANDHRA PRADESH & TELANGANA

- 1 K L University, Guntur
- 2 International Institute Of Information Technology, Hyderabad
- 3 Chaitanya Bharathi Institute of Technology, Hyderabad
- 4 Vignan Foundation For Science, Technology And Research, Guntur
- 5 Vasavi College Of Engineering, Hyderabad
- 6 Institute of Aeronautical Engineering, Hyderabad
- 7 R.V.R & J.C College Of Engineering, Guntur
- 8 Gokaraju Rangaraju Institute Of Engineering And Technology, Hyderabad
- 9 Guru Nanak Institutions Technical Campus (GNITC), Hyderabad
- 10 Maharaja Vijayram Gajapathi Raj College Of Engineering, Vizianagaram

## TOP 13 PRIVATE ENGINEERING INSTITUTES RANKINGS 2017 - ANDHRA PRADESH

- 1 K L University, Guntur
- 2 Vignan Foundation For Science, Technology And Research, Guntur
- 3 R.V.R & J.C College Of Engineering, Guntur
- 4 Maharaja Vijayram Gajapathi Raj College Of Engineering, Vizianagaram
- 5 Vasireddy Venkatdri Institute Of Technology, Guntur
- 6 Anil Neerukonda Institute Of Technology & Sciences, Vishakhapatnam
- 7 Velagapudi Ramakrishna Siddartha Engineering College, Vijayawada
- 8 Vignan's Institute of Information Technology, Vishakhapatnam
- 9 Aditya Institute Of Technology And Management, Tekkali
- 10 Aditya College of Engineering, Surampalem
- 11 GMR Institute Of Technology, Rajam
- 12 G Pulla Reddy Engineering College, Kurnool
- 13 Madanapalle Institute Of Technology & Science, Madanapalle

## TOP 3 PRIVATE EMERGING ENGINEERING INSTITUTES RANKINGS 2017 - TELANGANA

- 1 Sreyas Institute Of Engineering and Technology, Hyderabad
- 2 CMR Technical Campus, Hyderabad
- 3 BVRIT Hyderabad College of Engineering for Women, Hyderabad

## TOP 25 PRIVATE ENGINEERING INSTITUTES RANKINGS 2017 - TELANGANA

## RESEARCH METHODOLOGY — TOP ENGINEERING COLLEGES IN INDIA

The objective of this research was to identify and rank Top Engineering Colleges in India. The research had 3 major modules i.e. Desk Research, Factual survey & Perceptual Rating survey followed by scientifically developed anlysis & ranking process.

An extensive 6 week of fieldwork was conducted beginning the 3rd week of March 2017 to 4th week of April 2017.

However, it is not possible to get a completely exhaustive list of college and include them in the survey, we had option of adding any new college name in the survey form if any respondent mentioned any college name outside our list. Effectively, every engineering college had a chance of getting covered in the survey if their name was mentioned by the respondents.

### MODULE 2 I FACTUAL DATA COLLECTION

In module 2, more than 700 engineering colleges were sent the factual data questionnaire and then rigorously followed up through different modes such as telephone, email and even face-to-face if required.

The factual data sheet was focused on the following information areas:

- General information of the college: Establishment, College type, Affiliation etc.
- Courses offered & number of seats
- Infrastructure
- Faculty
- Intellectual capital
- Industry interface
- Placement
- Potential to network
- Exchange programs & Global exposure
- Research Orientation & focus
- Alumni chapter

### MODULE 1 I DESK RESEARCH - LIST OF ENGINEERING COLLEGES FOR THE SURVEY

The module 1 was a secondary research module. A comprehensive list of engineering colleges was generated with the help of internet, magazines and other publications. The various sources used for generation of engineering college list included:

- List of colleges/ universities from previous surveys
- A discussion with industry experts to add/delete any college to ensure we have a comprehensive list

## St. Peter's Engineering College – A CENTER FOR PROGRESSIVE THOUGHT AND RESEARCH EXCELLENCE

St. Peter's Engineering College is a nurturing ground for an individual's overall development that enables them to effectively contribute to the new vibrant society in the new environs. This premier abode of higher learning offers a good quality teaching faculty-learner programs for the student to excel and make them a great leader in his/her chosen areas of study for making a positive contribution to the Nation.

SPEC offers courses/ programs that have ample scope for research and development relevant to the general and specific needs of students. It also offers restructured programs that reflects the spirit of changing times and needs. SPEC stands for bringing awareness on the knowledge achieved for teaching skills for the further progress and for sowing seeds on finer thoughts, values and dreams of human race.

Established in the year 2007, St. Peter's Engineering College, approved by AICTE and affiliated to JNTU-H and also been accredited with NBA (National Board of Accreditation) by AICTE for its excellent commitment towards quality technical education. The college is well known in the region for its highly qualified faculty which includes eminent academicians from IITs, NITs and premier management institutes. It has also been rated high as per the countable years of its existence, by the experts in the academic arena and industry and is also among the best colleges under JNTU-H to pursue B. Tech and M. Tech. With a sprawling campus spread over 10 acres area with picturesque hills abutting it, St. Peter's Engineering College provides an inspiring educational and research environment for students and faculty alike, to expand knowledge and improve lives through advancement in research and engineering education. The impressive wi-fi enabled college building houses classrooms, offices, research centers, library, spacious atrium, a cafeteria, an auditori-

um, and a state-of-the-art multimedia center. The campus has fully equipped laboratories with hi-end facilities that satisfy the complete experimental needs of students.

The library subscribes to 50 international journals, 100 national journals, 2 e-journals and has 42,000 volumes to cater to the needs of the students and faculty. The college also has tie-ups with major online libraries for knowledge sharing and news on the latest developments in engineering trends & research. St. Peter's Engineering College is equipped with in-house independent training & placement wing, committed to provide complete assistance to its students.

A qualified and well experienced training & placement officer, assisted by placement coordinators, head this section. The wing ensures esteemed positions in national and multinational

companies, also coordinates various activities and provides career guidance to the students.

The entire campus is connected by a state-of-the-art network with 800 nodes. St. Peter's Engineering College is the 2nd best TCS-ION examination center for conducting Banking, GATE, CAT/MAT examinations. Every student and faculty member has a networked personal computer at his/her disposal with an internet bandwidth of preferred Mbps.

## Sreenidhi Institute of Science & Technology at the forefront of learning and global competitiveness

Engineers use mathematics, the physical, chemical, and biological sciences, as well as business and communications skills to solve important, real-world problems in society. They are critical thinkers, entrepreneurs and innovators who understand the social and business implications. Above all, they must be willing and able to provide leadership in solving society's big problems.

At Sreenidhi their efforts are dedicated to do just that. They transform the students into highly competent engineers with high level of motivation, professional skills and self-confidence. Also, inculcating in them effective communication skills, ability to work in a team and to lead a team for achieving excellent results in their professional pursuits. Training students to acquire the ability to go into details inculcate in them a sense of responsibility towards society at large. Sensitize them towards moral and ethical values to make them responsible citizens. It has an excellent infrastructure, highly motivated and dedicated faculty. Thus, Sreenidhi has made a mark in Engineering Education System through an excellent teaching and learning process. An effective industry interaction setup is built to achieve the objective of exposing the students to practical aspects of Engineering.

### ESTABLISHMENT OF SNIST

Established in 1997, with approval of AICTE & Govt. of AP. It was later accorded autonomous state by UGC & JNTUH University, and accredited by NAAC with 'A' grade by NBA in a short time. It's carved a niche for itself and was awarded National level prize for best HRD practices by Indian Society for training and development, New Delhi. The center is also recognized as a Research Center by DSIR, Govt. of India. Recipient of TEQIP World Bank Assistance under Phase-I & Phase-II (The only self-financing institution which graduated from TEQIP Phase I to TEQIP Phase II in entire Telangana & A.P).

### MAJOR STRENGTH & ACHIEVEMENTS

Nationally distinguished faculties hold-

ing Ph.D. degree with excellent teaching learning process with highest percentage results. SNIST was awarded as Asia's fastest growing education institute 2014-15 by M/S World Consulting & Research Corporation with ADAMAS University, Singapore on 21st May 2015. The college has another feather in the cap by establishing technology development test center with approval of GOI. The curriculum revision is adhered to as per skills in demand in industry with employability enhancement programs resulting in highest placement. It's has also inked MOUs with foreign universities.

### R&D AND CONSULTANCY AND ESTEEMED CLIENTS

- AICTE, UGC and Indian Medical council
- Hypersonic wind tunnel project of DRDO
- Research center Imarath, DRDO
- Advanced systems lab of DRDO
- VSSC of Indian Space Research Organization, Hyderabad
- R & D Center, Institute of Indian Foundrymen, Hyderabad
- Singareni Collieries Limited

### SIGNIFICANT STEPS TAKEN BY SNIST FOR YOUR CAREER TO TAKE A GIANT LEAP

- Introduced UGC credit based system and

progressed to 2nd year

- Entered into MoU with Telangana academy of skills and knowledge and SAP educational providers for teaching SAP(ABAP) which is integrated with the curriculum
- Introduced minor systems of computer courses for all branches other than CSE/IT to Non IT branches to improve employability of graduates
- Entered into MoU with Oracle corporation for providing training to students and preparing for Oracle certification

**Dr.K.T.Mahhe**  
-Chairman,  
Sreenidhi  
Educational  
Group

Dr. K T Mahhe, a visionary and pioneer in the field of education who understands the needs of learners of today's generation and believes in reformation in the educational sector to prepare students for the challenges of 21st Century by providing World class education and infrastructure.
